

## STEENBERG SAUVIGNON BLANC 2020

The 2020 Steenberg Sauvignon Blanc, pale-straw in colour with an ever so slight green hue, hypnotises with a seductive bouquet showing fresh cape gooseberry, nettle, capsicum and white blossom. This cool-climate Sauvignon Blanc has a sumptuous entry tied to an enduring length. The lifting acidity maintains a lively flavour on the palate with grapefruit zest and elderflower while maintaining a distinctive mineral core derived from the Steenberg terroir. All the elements of this wine will enable it to bottle age well over the next 2-5 years.

### Vinification

This wine is made up of a series of Sauvignon Blanc building blocks from different sites on Steenberg - harvested at different ripeness levels. Each block yields unique characteristics ranging from flinty, grassy, green pepper to gooseberry and ripe tropical flavours. The grapes were machine harvested in the cool, early mornings, starting at 2AM, to retain the delicate flavours. Skin maceration occurred after crushing from 8–24 hours at 10°C. The juice settled overnight, after which it was racked off clean, inoculated with yeast and allowed to ferment for up to 30 days at temperatures between 11°C - 15°C. Post fermentation; the wine lay on its fine lees for 60 - 90 days until blending, stabilising and bottling starting in mid-February 2021.

	<b>Viticultural Details</b>	<b>Cultivar</b>	<i>Sauvignon Blanc</i>
		<b>Harvested</b>	<i>February / March 2020</i>
		<b>Soil type</b>	<i>Gravel / Decomposed Granite</i>
		<b>Trellising</b>	<i>Elongated Perold and Lyre</i>
		<b>Age of vines</b>	<i>7-27 years</i>
		<b>Pruning</b>	<i>Spur - 2 bud</i>
	<b>Yield</b>	<i>9 ton/ha</i>	
	<b>Rootstock</b>	<i>Richter 110, US8-7,101/14</i>	
<b>Technical Data</b>	<b>Alcohol</b>	<i>14.1%</i>	
	<b>Residual sugar</b>	<i>2.7g / litre</i>	
	<b>Total acid</b>	<i>5.1g / litre</i>	
	<b>pH</b>	<i>3.45</i>
